

Trondheim , Norway, 10 – 11 October 2019

**AVT 304 - Research Specialists' Meeting on
Graphene Technologies & Applications for Defense**

Dear Friends and Colleagues;

On behalf of the Organizing Committee, I cordially invite you to participate in the “Research Specialists’ Meeting (RSM) on Graphene Technologies and Applications for Defense”, which will be held on **Oct. 10-11, 2019 in Trondheim.**

The aim of this RSM is to assess the potential use of graphene technologies in military applications and to evaluate where and how graphene technologies may contribute to existing and new defense applications in all environments and situations.

We are looking forward to your participation.

Best Regards

Please submit your abstract along with the Abstract Submittal Form by no later than **21 January 2019** via email to the Programme Committee Co-Chairs:

Dr. Steven J. SAVAGE
Swedish Defence Research Agency (FOI), SWEDEN
Email: steven.savage@foi.se

Dr. Tom THORVALDSEN
Norwegian Defence Research Establishment (FFI), NORWAY
Email: tom.thorvaldsen@ffi.no
